CLEAN UP DAYS TO INAUGURATE PROGRESSIVE CIVIC OUTLOOK

Free Airplane Stunts To Thrill Trades Day Crowds Here May 7th

The Retail Merchants Association in conjunction with Cameron newspapers has arranged for an elaborate air program for Trades day visitors.

Unlike the Tibbs circus this circus will be free to all with no charges for the sights.

Airplanes from Temple under Pilot McLane who conducted the recent Trades Day event in Taylor, will be in charge of the entertainment program and prior to the Trades Day which is on May 7 will go over the trade territory in his planes and distribute advertising matter.

In addition Mr. McLane will be on the ground in advance of the day and will arrange with local societies for a program, which will be the best ever seen in connection with the trades day program in Cameron.

Expense for this free attraction is taken care of by advertising co-operatively arranged by the Cameron merchants and this is another indication of the wide awake spirit among the business men here who realize the trade stimulating value of the first Monday trades day.

No such effort has heretofore been put behind the trades day plans and merchants, business men and citizens should get solidly behind the Retail Merchants Association and boost the Trades Day plans. It will bring hundreds here on these days who ordinarily do not buy in Cameron.

May 7 is the date for the next Trades Day in Cameron and the people of the Trade territory are invited to come in large numbers, for the entertainment will be worth coming miles to see.

No charges for any of the great attractions will be made. Come prepared to enjoy the day and take advantage of bargains.

Clean-Up Day Rules

Have all trash ready by Monday evening April 23.

Place all trash in receptacles.

Set receptacles adjacent to streets so as to be reached by truck drivers.

Trash will be hauled FREE.

Rid premises thoroughly of all trash and accumulations of cans and containers.

Cut and clear away all weeds and trash from sidewalks and place in containers to be removed.

Don't light any fires on or near any public street.

Active co-operation of all citizens necessary to success of the campaign.

Thank You!

THREE MEMBERS OF SCHOOL BOARD ARE CONFIRMED TUESDAY

COUNCIL VOTES UNANIMOUS APPROVAL OF APPOINTMENT OF TRUSTEES.

Three members of the Cameron school board, A. N. Green, J. C. Martin and B. P. Atkinson, held up on confirmation by the council two weeks ago were unanimously approved by the council at the meeting Tuesday afternoon.

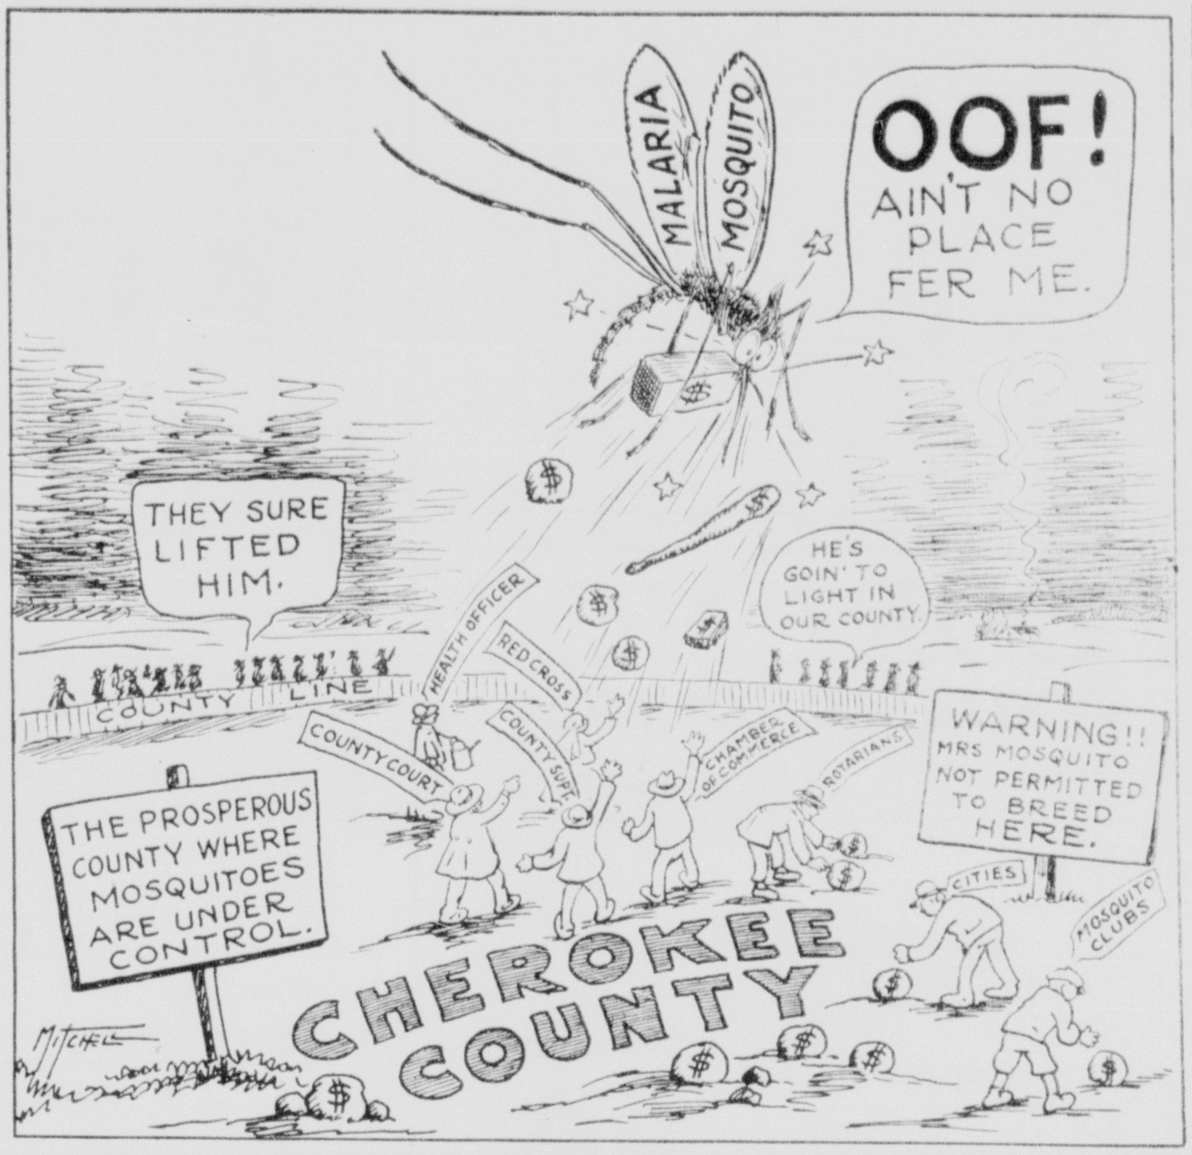
When the time came to make the appointment the mayor laid the names be fore the council and on motion of O. M. Smith seconded by W. O. Triggs, they were unanimously confirmed.

The board now is the same as the board of last year, no changes having been made in the personnel.

The council received the petition from the 110 citizens residing east of the City Park asking for a street to be opened through so as to give the residents access to the city and for fire protection. This petition was referred to the street committe with power to act as they deem proper.

Generally the council approved the demand of the citizens and it is practically assured that a street will be opened. Whether it will be opened as per request cannot be determined but some satisfactory adjustment of the matter will be made, it is believed.

This matter has been before the council on a number of occasions prior to this time but no action had been taken to give the people an outlet to the city. The present council will give the people a street leading to the city either by going through the south end of the park or opening through property recently acquired by the city. A fine bridge is also to be built.



What Cherokee County has done Milam County can do. The time is at hand to combat the Mosquito. Make the start by co-operating with the City and Civic League April 24 and 25—Clean Up Days.

CIVIC LEAGUE TO CO-OPERATE WITH CITY OF CAMERON

APRIL 24 AND 25 DESIGNED AS CLEAN UP DAYS FOR ENTIRE CITY.

Tuesday and Wednesday April 24 and 25 have been designated and proclaimed as Clean Up Days for the city of Cameron and the plans to put this civic program into operation made Wednesday morning at a meeting of the Civic League acting in conjunction with the City Council and the Cameron Commercial Club.

Mrs. R. S. Boykin will direct the campaign representing the Civic League. The motor equipment of the city has been placed at the disposal of Mrs. Boykin and her committees from the league and other civic bodies.

At the meeting held Wednesday the city was mapped and with five subdivisions of the town committee assignments are being made so that active supervision will be had in all sections of the city.

Mrs. Boykin as director of the clean up work will ask the chairmen of the Civic Improvement committees in the Commercial Club, F. R. Dunlap and Wm. Cobb to direct the clean up work in the business district of the city. City fire marshal George Richards, is also requested to lend all assistance possible from his department in the matter of locating and disposing of all trash accumulations in the business district.

The clean up program therefore includes the business districts as well as residence portions of the city. No section will be left untouched, the plan being to make as great success of the two days as possible, in order that proper safeguards may be afforded the public health now that spring is here and summer at hand.

Mayor J. B. White has issued a proclamation designating and proclaiming the two days as Clean Up Days and all possible co-operation will be given by the city council in this important work.

Ultimately the city hopes to extend the civic program to a drainage project in the outlying sections of the town to remove the possibility of disease and infestation.

The following divisions of the town have been designated by Mrs. Boykin as chairman of the Civic League committee to superintend the work:

Division No. 1. Everything north and west of Houston Avenue and 13th street.

Division No. 2. Everything north and east of 13th street and Houston Avenue.

District No. 3. Everything south and east of Houston Avenue and 13th street.

District No. 4. Everything from corner of 13 and Houston Avenue to Main and running west.

District No. 5. Everything south of Main and Houston Avenue.

A. N. GREEN AND A. H. BASKIN GIVE ATHLETIC FIELD

CAMERON BANKER AND MERCHANT UNDERWRITE INDEBTEDNESS.

Cameron will have a permanent athletic field to be used by the high school and the Base ball club.

This was made possible last week when A. N. Green, Cameron banker and chairman of the board of managers of the Cameron Athletic Association, underwrote the purchase of the grounds which have been used for base ball for the past two years.

A. H. Baskin, merchant of Cameron, was instrumental in making a permanent field for the city by contributing an interest owned by him in the land on which the field is located.

These men have made a great and beneficial gift to the city and it goes without emphasis that the citizens appreciate their liberal gift.

Mr. Baskin gave outright his portion of the land on which the field is located and Mr. Green after Mr. Baskin had made this donation guaranteed the purchase of the property. It is expected that while Mr. Green is underwriting the purchase he will make a free gift of the park to the city for a permanent athletic field.

The gift of Mr. Green and Mr. Baskin will eliminate the usual expense attached to rentals and buildings. All improvements are now permanent.

CAMERON COMETS TO PLAY AGAIN 1923

ATHLETIC ASSOCIATION TO FINANCE CLUB FOR COMING SEASON.

The Comets are coming!

That great aggregation of luminaries that made history in the firmament of swat in 1922 and blazoned the name of Cameron to all the world as a progressive city will again in 1923 shine on, shine on, and on, and on.

The Comets are being reorganized for the 1923 schedule and the committees are now preparing to canvass for $2800 to defray the expenses of the club for the first month of the season.

Now that a permanent athletic field has been donated to the city

PISTOL BATTLE IS STAGED BY NEGROES NEAR THORNDALE

SHERIFF ROGERS TAKES TWO DUSKY FUEDISTS IN HURRY UP CALL.

Poor marksmanship saved the life of one negro and perhaps the lives of others when Jesse Balley and Geo. Tomes, engaged in a pistol battle near Thorndale Monday.

Sheriff Drue S. Rogers was called to Thorndale to get the negroes and both are being held in the county jail pending charges filed by the sheriff.

It is said by Tomes that he had a 38 automatic which was empty and only sought to drive the other negro away, but Balley would not run, instead drawing a long blue barrel 41 from under his faded jacket and the zero hour was on.

In all four or five shots were said to have been exchanged. No one was hit. Whether they were all fired by Balley is questioned by officers, although the automatic was found not to contain a catridge chamber when found. A woman is also being held in connection with the fight.

W. Britts of Houston, a traveling salesman for the Arm & Hammer Soda Brand, who has been making this territory for over fifteen years, was the guest of Perry Wilkerson this week.

JAIL BREAK FREES TWO HELD IN BIG AUTO THEFT

Two men, Walter Petty and Emmet Bounds, are at liberty today following a sensational jail break Monday after they had discovered a weak bar in the sell in which they were confined.

The men made their way to the roof of the jail and from this point plunged to the ground and made their escape. It is believed neither of them were injured in the jump. The jail break was effected at night.

Sheriff Drue S. Rogers was wiring officers in all parts of the surrounding country Tuesday in an effort to locate the missing men.

They were arrested in connection with the discovery of a large consignment of auto accessories found on farms west of Yarrellton and near Rogers in Bell county. An automobile dismantled and burried in a corn field was found in the deal.

Five others were arrested at the same time, some of whom have made bond and have been released to await action of the grand jury.

This is the first jail break since Sheriff Rogers took office on January 1.

PROCLAMATION

TO THE CITIZENS OF CAMERON:

Whereas, the past few weeks have been exceedingly damp and spring is now at hand and summer near with the attendant mosquitoes and insects of a disease and germ carrying nature, and the possibility of a scourge of contagious diseases in the City of Cameron, unless proper precautions are taken to prevent the same, and,

Whereas, the public health is of supreme importance, making the necessity for its proper safeguard imperative, the recurrence of dengue and typhoid fever endangering the lives of the people and causeing great financial losses by disruption of employment, the opportunity for prevention creating an emergency:

Now, therefore, I, J. B. White, Mayor of the City of Cameron, by virtue of the authority vested in me as such, do hereby designate and proclaim Tuesday and Wednesday, April 24 and 25, 1923 as CLEAN UP DAYS for the City of Cameron, requesting all persons to clean up their premises and to destroy all breeding places of mosquitoes and to disinfect said premises against any and all pollutions and harboring places of germ and disease carrying insects. And I particularly request that all trash be collected and placed in containers adjacent to the street so that it may be removed. The City dump wagons will call for and remove trash under the direction of the Civic League. I further request that weeds and trash be removed from side-walks and ditches adjacent to property and placed in containers conveniently located and made ready for removal.

I specially request the active co-operation of all citizens and of all civic bodies to the end that the clean up days may accomplish the safeguards to health contemplated. I further request that no fires be lighted in or near the public streets; the city trucks will remove all trash made ready for hauling.

In order to make our city beautiful as well as healthful I suggest that our citizens devote these two days also to beautifying their premises by planting flowers, trees and shrubs and by painting or whitewashing unsightly buildings and fences.

Witness my hand at office in the City of Cameron this the 19th day of April, 1923.

Attest: J. B. WHITE, Mayor.

CAMERON PASTOR ELECTED MODERATOR

ELECTED TO PRESIDENT OVER SESSION OF TEXAS PRESBYTERY.

Waco, Texas, April 18.—At the opening session here of the Central Texas Presbytery, the Rev. H. R. McFaydnen of Cameron was elected moderator. The Rev. E. M. Munroe, after the required examination, was admitted to the presbytery. He will be the pastor of the Presbyterian church at Taylor.

Sessions will continue until next Friday morning.

Edwin Bigbee spent several days in Houston, the guest of relatives.

STATE AID READY FOR AD HALL TO BRIDGE HIGHWAY

GILES L. AVRIETT OUTLINES COURSE TO BE PERSUED FOR AID.

If the people of the Cameron district will vote bonds in the sum of $62,000 the state and federal governments will place a like amount at the disposition of the commissioners court to apply on the construction of a better road from Ad Hall to McCown bridge.

In his report to the Commercial Club Friday night Giles Avriett focussed attention on this matter by reminding the club of the June expiration date on which this money is contingent.

The committee was instructed by the Club to prepare and circulate a petition for the holding of an election soon to determine whether the district will vote bonds in the sum of $62,000 to match the state and federal aid projects.

One of the plans under consideration is the building of a concrete viaduct across Little River bottom, this however will have to be by seperate issue. It would be expected that the state and federal government would match the issue in order to encourage this much needed construction.

Mr. Avriett reports $2,500 raised for the Jones Prairie road. Also the committee was instructed to aid the people on the Waco Crossing road to get their road in better condition.

The good roads committee has a large number of matters under consideration toward the improvement of the roads in this section of the county.

MERIT.

Merit is a mighty force
Springing from a mighty source,
Envy cannot block its way,
Malice has no power to slay.
Like the brook that finds the sea,
Merit ends triumphantly.
Merit cannot be denied,
Trampled down or turned aside.
Foes may hinder and delay
Placing barriers in its way,
But like every running stream
Merit always is supreme.
It will find the sea of worth
From the farthest ends of earth,
Springing from the humblest breast
North or south or east or west,
Merit will come thunedring down
To the ocean of renown.
Fame no question makes of worth
Of its humble start or birth;
As the brook comes to the sea
Just as surely, so shall he
Who will make his merit known
Come at last into his own.

PRISCILLA CLUB.

Mrs. Roy Baskin was the charming hostess to the Priscilla Club last Thursday afternoon. This dainty home presented a charming scene with its decorations of potted plants with red blossoms in the reception room and the beautiful blue bonnet in the living rooms. The afternoon was spent in social conversation and needle work, after which the hostess, assisted by Mrs. James Baskin and Mrs. John Denson, mother of Mrs. Baskin, served a delightful salad course with ice tea.

Besides the club members there were present Mesdames John and Tom Denson and Mrs. Swift, of Gardner, Maine.

FORTY-TWO PARTY.

The cordial hospitality of Mrs. Tom Henderson, Jr., was thoroughly enjoyed by the members of the "Tuesday Forty-Two Club" last Tuesday afternoon, at her home on North Central Avenue.

Blue bonnets, Indian blankets, bridal-wreath and violets were nature's contribution in the decorations of the reception suite. There were three tables of players and many interesting games were played, and at the conclusion in the cut the table favors, Mesdames Claude Triggs, W. A. Bonds and Miss Gladys Watson were lucky winners to dainty hand decorated bells. After the games a beautiful bowl of violets were placed in center of each table, and the hostess, assisted by Mrs. Paul Webb and Miss Winnie Henderson, served shrimp salad, bread and butter sandwiches, cucumber sandwiches, potato chips, olives, coffee, angel food cake and devil cake. Candy was passed during the games.

The presence of Mrs. Stone, of Mount Clemens, Michigan, mother of the hostess, added much to the pleasure of the afternoon. This is Mrs. Stone's second visit south and has made many friends here who are pleased to welcome her return to our midst. Besides the club members there were present Mrs. Carr and daughter, Miss Georgia Carr of Navasota, Miss Cary Brown of New York, J. M. Ralston, J. C. Martin, Albert Triggs, Misses Gladys Watson and Winnie Henderson.

AN AFTERNOON WITH MRS. LAY

Mrs. Dan Tyson charmingly entertained the Forty-two Club last Wedneday afternoon, naming Mrs. C. D. Lay, of Brownsville, as honoree guest.

The hostess chose a purple and green color scheme for the decorations which was carried out in the eleven tables for Forty-two players. Table covers were of white, with the purple predominating in the score cards and tally pads. In center of each table was a bouquet made of candy representing a real old-fashioned nosegay of flowers in the color scheme combined with yellow and green, tied with purple and white maline.

At the close of the game the hostess, assisted by Mesdames John Mangum, Henry Hefley and Miss Willie Hefley, served a lovely plate salad course. Plate favors were bouquets of pansies.

SIX O'CLOCK DINNER.

Among the many couresies extended to Mr. and Mrs. C. D. Lay on their visit here, there were none more enjoyed than the six o'clock dinner given last Friday evening by Mr. and Mrs. F. J. Beckerman at their home on North Fannin Ave. The personnel of this gathering was Rev. Russell C. White, pastor of the Baptist church, Messrs. C. D. Lay, honor guest, J. M. Ralston, J. C. Martin, Gus Evans, E. A. Flinn, James Coleman, F. F. Reid, Wm. Henderson, Dr. John Denson and F. J. Beckerman. These men compose the Deacons of the Baptist church, and this luncheon was given in honor of Mr. Lay's return to Cameron. Messrs E. A. Flinn and James Coleman were out of town.

The table was beautiful with its dainty centerpiece with reflector on which rested a handsome bowl of pansies. Unique place cards furnished amusement in the finding of places. They were hand-painted in scenes representing the occupation of eact guest in life. Real cordiality and good fellowship riegned at the board. The four course luncheon was served as follows: Chicken soup; fresh roasted pig with dressing; French peas, creamed potatoes, chicken salad, hot rolls, with butter, sliced tomatoes, coffee topped with whipped cream, fruit ice cream with whipped cream, angel food cake and devil cake; after this there was an hour over cigars. Mr. Lay has the distinction of being a Deacon in this church for twenty-five years, and also served as secretary to the Sunday school for some length of time .

Mrs. Lay favored the assembly with two beautiful vocal solos which was much enjoyed; she and Miss Helen Green assisted the hostess in serving, and at the close of the feast a page of paper was passed to each guest with a request to write a Bible promise upon it, which put momory to work. These were collected and placed in book form and given to Mr. Lay as a souvenir of the occasion.

MRS. LAY HONORED.

Saturday afternoon Mrs. Dan Tyson was again the charming hostess to a number of friends naming Mrs. C. D. Lay as honoree guest. This afternoon the diversion was needle work and pleasant conversation and was a real reunion for Mrs. Lay. Her many friends were delighted to meet and welcome her back to her old home after an absence of over sixteen months, and were charmed with her old time sweet solos rendered on this occasion, bringing back memory of whom the announcement that she would sing, would be the cause of a large crowd to gather to listen and enjoy her selections. Miss Nell Du Bois gave several fine selections which was much enjoyed. Mrs. Paul Webb contributed much to the enjoyment of the afternoon with her piano solos.

The hostess was ably assisted in serving by Mrs. Henry Hefley and Miss Willie Hefley, the following menu: Chicken salad, potato chips, bread and butter sandwiches, olives, crackers, lavendar sherbert and cake. On each plate lay a bunch of large pansies tied with purple ribbons.

BAPTIST CHURCH TO BEGIN REVIVAL SUNDAY APRIL 29

NORTH CAROLINA PASTOR COMING TO CONDUCT MEETING HERE.

Rev. Lee M. White of Kinson, N. C., brother of Rev. R. C. White, pastor of the First Baptist church in Cameron, will conduct the services for the revival meeting which is to begin at the church on Sunday April 29.

Announcement of this meeting was made yesterday by Rev. White of Cameron who is now actively planning the work of the church for two weeks revival period.

Both are young men and sons of Rev. J. L. White, pastor of the First Baptist church in Miami, Florida, who is now planning a six months tour of Europe and the holy lands.

It has been planned that the father come to Cameron and hold the meeting but on account of the trip abroad could not come to Cameron for the summer meeting.

Rev. Lee M. White is pastor of one of the largest churches in the state of North Carolina and has met with great success in the field of evangelism as well as in the pastorate.

Simultaneously with the announcement of the revival meeting Rev. White announces that on the opening day of the revival the Southwestern Baptist Seminary quartett from Fort Worth will be at the Cameron church to conduct the music for the day. This is one of the most famous sacred musical organizations in the Southland and the city of Cameron will be delighted to welcome them here for this service.

The revival will be held in the church. Reasons for holding the revival early is that the pastor will be busily engaged this summer in meetings over the state.

The church members as well as all the people of Cameron are invited to participate in this meeting and cooperate.

The service of a singer will be obtained for the meeting but at this time Rev. White has been unable to make a definite announcement as to who the singer will be.

WORKERS CONFERENCE WITH BAPTIST APRIL 21.

The workers conference of the Baptists of Milam county will be held with the First Baptist church in Cameron on Saturday April 21. This meeting will bring church workers from every part of the county.

Dr. W. D. Powell of Louisville, Ky., for more than 40 years a missionary in the foreign field for the Baptist, will be the principal speaker. Dr. Powell was the first missionary to go to old Mexico to carry the Christian religion to a lost people and it is said of him that his experiences have made him rich in knowledge and to hear him is an opportunity coveted by congregations throughout the United States. A gifted orator, he will inspire the hundreds who will attend the meeting April 21.

Lunch will be served to the workers at the church Saturday and the meeting will be an all day affair. The church members are urged to cooperate fully that the visitors may be entertained.

Other speakers who will address the conference are Rev. Ward of Thorndale, E. L. Springer, county missionary and Mrs. H. M. Roark of Cameron.

PRESBYTERIAN CHURCH.

The time for the evening services has been changed from 7:30 to 7:45. This for Sunday and Wednesday evening till further notice.

Judge Gillis and the pastor are this week attending the meeting of Central Texas Presbytery which is meeting in Waco at the First church.

The usual services Sunday morning at 11 o'clock. Come and worship with us.

H. R. McFADYEN, Pastor.

PRESBYTERIAN AUXILIARY.

The ladies of the Presbyterian church met in circles Monday afternoon.

Circle one, met with Mrs. Jewel Barmore for Bible Study. Owing to the unusual bad weather the attendance of the circle were not so large as usual.

Circle two, met with Mrs. Giles L. Avriett. After devotional services the time was given to Bible Study. Mrs. McFadyen read an interesting paper on "The work among the colored people of the South," after which there was a social hour and refreshments were served consiting of sandwiches, pineapple salad, hot tea and cakes.

Circle three, met with Miss Maggie McCalla, Mrs. Henry Sapp leading in an interesting Bible Study. Miss McCalla served delightful cake with cream.

BAPTIST AUXILIARY.

Circle one, of the ladies of the Baptist Auxiliary met with Mrs. James Coleman for Mission Study and Royal Service, Mrs. Paddick leading. There were six members present.

Circle three, met with Mrs. H. W. Henley in a business session. There were five members in attendance.

Circle four, met at the church and held a business session.

Circle two, did not meet.

TWO SETS TWINS TO BE BAPTIZED HERE NEXT SUNDAY

METHODIST CHURCH SERVICE SUNDAY TO PROVE OF GREAT INTEREST.

On next Sunday morning at the 11 a. m. service we will observe again at the Methodist church, the baptism of children. Several parents were not able to get to the church on the first Sunday and have requested that we repeat this service now. We have arranged for some of the Jordan water which we had before, and any who desire to have their children baptized will please present themselves at the first part of the service Sunday morning.

The service on the first Sunday was unique in two respects:

1. The number baptized was large. The large group of parents coming on that occasion to consecrate their children to the Lord presented a beautiful sight and made a profound impression on all who attended.

2. There were two sets of twins at one time and I am sure that not many more preachers have had that privilege.

We are hoping that the service next Sunday will be equally as good in every respect and we extend a cordial welcome to the public to be present.

IAR F. KEY, Pastor.

MEANDERINGS AND MUSINGS OF A COUNTY MISSIONARY.

On Sunday the 15 inst. it was my good pleasure to preach at the 11 o'clock hour for pastor H. Grady Slone at San Gabriel. Here I found a noble and heroic little church led by one of our best Baylor boys. They are succeeding in a great way in all lines of work. This church has paid far beyond their pledge for our 75-million campaign and will make a free-will offering to this work extra.

The same day in the afternoon I was with the Tohrndale Saints and they too are a noble set led by their good pastor, Bro. Ward, who is a cultured, consecrated young man and greatly beloved. They will take care of their obligation to Home and Foreign Missions in our "spring round up."

Saturday and Sunday I was at Jones Prairie but "Bacca was a well and the rain filleth the pools also," so we had no preaching.

So I was sandwitched between the local showers, between many mud holes and swollen creeklets but I meandered my way successfully back to Cameron via Ben Arnold in my little "Baptist Tin Henry" Ford.

I am delighted with my work as missionary for the Baptist of Milam County Association for the kindly greetings and Christly co-operation of all the people make my work delightful indeed.

I am also delighted with the goodly little city of Cameron every village and community into which I have already come they know how to make it pleasant for a new man in their midst.

E. L. SPRINGER,
Missionary Milam County Baptist Association.

ST. RITA'S CIRCLE.

The ladies of the St. Rita's Circle held their regular meeting last Thursday at the Catholic church hall. A large number of members were present.

After the business was transacted, the ladies spent the time in sewing and pleasant conversation, after which refreshments were served. The next meeting will be held with Mrs. Wm. Balhorn, April 26th.

BAPTIST MEN TO MEET.

The men of the church will meet in a business session Monday night April 23. No program of business has been announced for this meeting but all men of the church are asked to attend.

This meeting will precede the general laymen's meeting of the church to be held on Wednesday night April 26.

BAPTIST INSTITUTE.

The pastor is this week closing the B. Y. P. U. Institute work course. The institute closed Wednesday night. An enrollment of 92 was reached beginning with this week, the largest enrollment ever realized on the institute work in Cameron.

The pastor as well as the church is well pleased with the results of the work and it is known that a great good has been accomplished and new and young leaders developed for the important work of the church.

The instruction was given by Rev. R. C. White, pastor.

BAPTIST LAYMEN TO MEET ON APRIL 26.

The next regular meeting of the Baptist Laymen will be held on Wednesday night April 26.

The program committee is this week arranging the program for this night and the men of the church are expected to turn out in large numbers for this meeting.

This will be the second meeting to have been held since the Laymen movement was instituted in the church. No speakers have been announced but it is promised that some surprises will be forthcoming when the program is made known.

METHODIST MISSIONARY.

All four circules met in the church Monday afternoon with the President, Mrs. Leland Green leading. After devotional services, Mesdames G. C. White and Jeff T. Kemp read interesting papers on the Missionary work. The meeting was then turned into a social gathering complimenting Mrs. C. D. Lay of Brownsville, Texas, as honoree of the occasion.

Mrs. Lay favored the assembly with a choice vocal solo, which delighted her hearers. She also gave a talk along the line of the Mission work among the Mexicans at her home. Next on the program was a playlet given by Mesdames W. O. Triggs, Ira F. Key and Grover White, all in costume representing the different nationalities. Mrs. Triggs the Missionary woman; Mrs. Key the Bible woman; Mrs. White the character of the heathern woman. This was exceptionally good.

Refreshments were served to a large number, consisting of chicken, salad, bread and butter sandwiches, tea and cake. Plate favors were dainty rosebuds in clusters.

BANKER OF ROGERS CALLED BY DEATH

J. H. WEAR PASSES AWAY AFTER A LINGERING ILLNESS AT HIS HOME.

Rogers, Texas, April 14.—J. H. Wear died at his home here this morning at 9:30, after a lingering illness. Mr. Wear was born at Belton, Texas, December 7, 1870, where he grew to manhood.

MORE THAN A NAME.

The coming Imperial Council Session of the Mystic Shrine, which will bring at least three hundred thousand Masons and their families to the Capital City, will provide an education in patriotism which will be of immense benefit to the country as a whole.

We are a united country, but it is idle to deny that one-half of us hardly knows how the other half lives. The more the people of this Nation, as a whole, know of their Government the better that Government will be; the more they understand what Uncle Sam does and how he does it, the more he can do and the better he will be able to do it.

Bring three hundred thousand people to the Capital of the Nation, showing them the indescribably wonderful Government Plant by which the Government of the people, by the people, for the people, is enabled to function, can not fail to be a missionary work which will accomplish much in the stimulation of increased pride in this Nation and its accomplishments.

Washington is but a name in the newspapers to the great majority of our citizenship; to bring thousands of women and children to its broad streets and magnificent Government Buildings, to show thousands of men that a great city is wholly engaged in working for the whole country, must inevitably promote education, make the flag stand for even more than it does now in their minds and hearts, and draw together in yet closer bonds of union the man of the West, the man of the South, the man of the North, and the man of the East.

Masonry keeps ever lit upon its altars the fires of patriotism; this, the convention of the order, often referred to as "the playground of Masonry," will further the patriotic labors of the fraternity in no small measure. Those who attend this convention, either as participants or sightseers, can not fail to come back to their homes with a new and more glorious vision of the magnitude and the ability of the Government under which they live.

OIL PRODUCTION IN MINERVA FIELD SHOWS INCREASE

STEADY DEMAND BRINGS PRODUCTION TO MAXIMUM FROM WELLS.

The average daily production from the Minerva oil field seven miles south of Cameron for the first fifteen days of the month of April was 582 barrels.

These figures are from the pipe line records of the Owens Refining Company. This is an increase over former production figures and the report is that a steady increase is being shown by the comparison of production figures in the field.

Weather conditions have made development slow in the field for the past month or more but with the coming of beter weather a number of big development projects are to be carried out in the field, among them the Owens Refining Company to develop the Cooper tract and to add to their already large production.

It is believed that with the end of summer that the production of the field will be around 100 barrels a day.

Good pirces are being paid the producer and no trouble is had in disposing of all the refined products.

COLONIAL BUNGALOW HERE FURNISHES NEW STANDARD FOR HOMES.

The modern new Colonial bungalow being erected by contractor Eggert for Mr. and Mrs. B. F. Bonds of Cameron embodies a number of unique features as to appearance and floor arrangement. This new home nearing completion is located on West 14th street. The colonial idea is admirably woven with a touch of quite unique features in architecture planned by Mrs. Bonds who also laid the floor plans for the home and for convenience and general appointment the home is perfect.

The home throughout is uniform in finish, the color being white with papering all of the delicate hues bordering on white making a unanimity in scheme. In the living rooms and dining room the floors are laid of oak with foundation of pine. In the breakfast room and bed rooms, including built in hall and sewing room the floors are laid of edged pine highly waxed. The bath is modern in every detail of the tile and porcelain and built in tub.

A unique feature of the hallway accessable from the entire bed room and kitchen portions of the house is the built in telephone nitche. Also the built in cabinet in the kitchen. Leading from the living room east a concrete porch projects with colonial upholstery and dainty glass panel doors. Window shades are scaloped fringe and harmonious in scheme of decoration. The light fixtures will also be selected to harmonize. Electric connections are made in every room of the house for cleaning device.

The dining room is finished in a pleasing contrast of deeper hue panel paper with glass panel door approach.

As a home of the more modern type this home is attracting wide attention.

R. S. Owings, father of Jack Owings, manager of the Cameron Electric Service Station, died at his sons home at 3:30 o'clock Tuesday morning, April 17. The body was taken to Austin, his old home for interment. Rev. R. C. White, pastor of the Cameron Baptist church, and M. G. Cox accompanied the family to Austin for the funeral service.

TREASURY REPORT FOR CEMETERY IS PRAISED BY ALL

S. W. LAW NOW MAKING IMPROVEMENT IN OAK HILL BURRIAL GROUNDS.

Bringing the Cameron Cemetery Association from a condition of indebtedness amounting to $5,000 to a state of operation with the balance on the right hand side of the ledger and at the same time keeping up the work of improvements is in brief the service that has been rendered the people of Cameron by S. W. Law.

Following the meeting of the association Wednesday afternoon Mr. Law gave out figures showing the financial standing of the association. The balance on hand at this time is $972.15. At the last meeting of the association Mr. Law reported a balance $707.90. To this amount $264.25 has been added since the last report. Of this amount $100.75 in dues has been collected from the members of the association under the committee of which Mrs. Oxsheer M. Smith is chairman. No dues had been paid since 1920. The remainder $163.50 has been placed in the treasury by Mr. Law on sale of lots in the cemetery.

Only a few were present at the meeting Wednesday.

At this time Mr. Law is doing some work in the cemetery with the aid of the street equipment of the city and by furnishing teams from his own farm. A plot of ground near the entrance to the cemetery is being cut down and made into the most attractive sight in the cemetery and when completed this week will be found to be the most choice of all lots unsold in the cemetery. Those interested in securing choice burrial plots should see Mr. Law at once.

Members of the council and from the Association planned to meet with Mr. Law at the cemetery this afternoon.

JAMES T. COLEMAN PIONEER CONFEDERATE VETERAN IS DEAD

FATHER OF J. W. COLEMAN OF CAMERON DIES IN SAN ANTONIO TUESDAY.

James T. Coleman, a former resident of Cameron, died in San Antonio, Tuesday April 17, 1923.

A party of friends, with the Henne-Meqer Undertaking Car, left this city Wednesday morning to meet the body at Rockdale which was later carried to the home of his son, J. W. Coleman on 13th Street.

The funeral took place at 10 o'clock this morning, the service being conducted by Rev. Russell C. White, pastor of the Baptist church of which deceased was a member. Interment was made in Oak Hill Cemetery.

James T. Coleman was born in Virginia in 1841. He moved to Montgomery, Alabama when a child and later when a young man, to Winchester, Tenn.

He served with the Confederate Army with the 1st Tennessee Regiment and his passing leaves another vacancy in the fast thinning ranks of Confederate Veterans.

Mr. Coleman came to Cameron in 1893 and lived here for a number of years.

Since leaving Cameron, he has made his home with his youngest daughter, Mrs. J. L. Hamilton of Sinton.

His surviving children are: Pat Coleman of Waco, J. T. Coleman of Fort Worth, J. W. Coleman of Cameron, Mrs. James Eplen of Abilene, Mrs. S. W. Shelton of Fort Worth, and Mrs. J. L. Hamilton of Sinton.

The following members of the Davis family were here last week accompanying the remains of Mrs. Effie A. Davis, which were interred in Oak Hill Cemetery Thursday afternoon. Dock Davis of Valera, Texas, Frank Davis of Poteau, Okla., Mrs. L. B. Lumpkin, Misses Rossia and Reta Lumpkin of Mart, C. P. and Leon Lumpkin of Waco, Mrs. Tom Cobb and Rutland Lumpkin of San Antonio. The family lived in Cameron for a little more than a quarter of a century. They were well known in church, social and business circles and have many old friends here who sympathize with them in the loss of the mother.

MRS. JOE SYPERT DIES WEDNESDAY

BURRIAL IN SALEM CEMETERY THURSDAY AFTERNOON.

Mrs. Bettie Stevens Sypert, wife of Joe Sypert, died Wednesday afternoon a 6 o'clock at the faimly home near the Santa Fe Sation.

She will be buried this afternoon at the Salem Cemetery at 4 o'clock. Rev. Ira F. Key, pastor of the Methodist church, will conduct the service.

Mrs. Sypert was a daughter of Mr. and Mrs. Bob Stevens of the Salem community. Besides her parents, she leaves her husband and four small children to mourn her loss.

The funeral will be in charge of the C. N. Green and Brothers undertaking establishment.

BROTHERHOOD BANQUET.

The fifth monthly banquet of the Methodist Brotherhood was held Wednesday evening, in the basement of the new Methodist church. These banquets have been well attended at each meeting, and the attendance has grown out of these assemblies grows larger and good fellowship until it seems one large family in a get-to-gether meeting.

Circle two, of the ladies of the Methodist church served a delightful two course menu. The tables were arranged to form a large T and were covered with snow white linen with large red Lone Star for centerpiece with a bowl of blue bonnets, the Texas flower, resting in center of table while crystal holders were placed at either end with white or red burning tapers were cut in the shape of the map of Texas with "Methodist Brotherhood, April 18, 1923 was written across the center.

Medsker's Melody Orchestra furnished music, with Miss Dickard at the piano. The Secretary, Dick Brewer read the minutes of the previous meeting getting off many good jokes on members present. Mr. Russell C. Harper gave a splendid reading, which was much enjoyed. Mr. J. J. Pierce, the newly discovered orator, entertained the crowd with his ready wit, and flights of oratory, and was twice encored which he very graciously responded to. Our pupular ex-District attorney, Roy Baskin, gave a most laughable take-off on the pastor and the officers of the Brotherhood, ending with a beautiful poem. The speaker of the evening, Hon. Oak McKinsie, of Bryan, was next introduced and was given rapt attention, speaking along the lines of "Efficiency", and especially in Brotherhood work. Six little girls were featured on the program and sang "Texas." They were dressed in white with red sashes and wore dainty blue crepe paper bonnets the shade of our state flower. The personnel was as follows: Cora Barmore, Margaret Key, Nancy Ree Slocomb, Mary McDermott, Mildred Clinton and Frances Sharpe. The closing talk was made by the pastor, Rev Ira F. Key, on the progress of the Sunday school and its work, extending an invitation for new members for the already fine Bible classes, and stated that the next month's banquet will be tendered to the ladies by the Brotherhood. They are to be the host, having full charge of the evening's program and will have the menu gotten up, and the ladies will have nothing to do but talk.

J. M. Jacnson of Waco was a guest in the home of Rev. R. C. White Tuesday.

F. F. Reid, who has been conducting a grocery and confectionery business in Cameron for several years, sold his business this week to the Ever Ready Electric Company, W. A. Copus, proprietor. The Ever Ready Electric Company has been located in the State Bank building but since the bank has decided to enlarge their quarters, a change of location was necessary. Mr. Copus will dispose of the stock of goods carried by Mr. Reid, keeping only his regular line. Mr. Reid will probably open in some other line later.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

JAM SALE

GILES L. AVRIETT

Sale, Saturday April 21st, on Puyallup Pure Fruit Jams. I am offering the following varieties for sale on that day: Strawberry black berry, raspberry, logan berry, red cherry, peach, apricot, pear, plum and assorted in large 15 oz. jars at $3.75 per dozen jars, or three pars for $1. Each purchaser will be required to buy at least three jars at the above price.

Reasons Why You Should Purchase Jam at the Present time.

1. In the above list enumerated the fruit is not obtainable in this country in quite a number of the varieties to can.
2. Sugar has been steadily advancing and it looks as though around preserving time sugar will be 15 cents per pound.
3. The price fixed on the above varieties of jams is in the reach of all.

If you will take the time to investigate above prices (which are far below the normal wholesale price) then this sale will truly be a "JAM SALE."

Also have to offer Puyallup and Summer jams with apple base.

Strawberry, black berry, logan berry, raspberry, peach, gooseberry, pear, plum, apricot, red cherry and assorted at $2.75 per dozen or four jars for $1. Each purchaser will be required to buy at least four jars at the above price.

DEPOSIT OF BANKS IN COUNTY SHOWS PROSPERITY HERE

NEAR THREE MILLION IN MILAM COUNTY BANKS ON APRIL 3, 1923.

According to published statements of the banks in Milam county at the close of business on April 3, there was on deposit in the banks of the county a total of $2,735,602.02.

Of this great total more than $1,600,000 is on deposit in the banks of Cameron.

Those in touch with the general condition of the county as compared with last year agree that there has been a return to normal conditions and prospects for the future are encouraging.

The condition of the banks is the barometer on business and from the indicated deposits it is fair to assume that 1923 will be a year of prosperity for all.

Crop conditions in the county are not what could be desired on account of the continued cold weather but little damage has resulted, the crops being late. Much of the cotton crop is yet to be planted and a considerable portion of the corn and grain crops.

Low lands are set back because of the recent heavy rain falls but with clear weather in prospect it is believed the farmers will get into these lands within the next week for planting.

Aside from the lateness of the crops no set back has been experienced.

Retail business has suffered because of the continued rains but generally business is good, the merchants reporting an improvement in the trade over the same period for last year.

CITY FIREMEN TO PUT ON PROGRAM SATURDAY APRIL 28

"WATER FOOTBALL" AND HOSE RACES TO ENTERTAIN THE PEOPLE.

The Cameron racing team, under the management of J. B. Lindsey is traning ever afternoon.

Mr. Lindsey has had charge of this branch of the department for the past two years, and has been successful in bringing back the honors both years, and says, that beyond a doubt he has a faster team this year than ever before, as he has replaced some of the older men with younger ones, and faster ones, and as Cameron has already the state record, he seems fully confident that Cameron need not fear defeat.

The members of the team, and their positions are: Shorty Baggett, lead harness man, Lions McCall and Eugene Green swing harness men, Bassett Watson and Joe Richter tongue men, Roy Weems and J. R. Crawford plug men, Billie Marek and W. L. Wilson nozzlemen, Jack Hearrell assistant helper to plugman.

This team will give a demonstration run and a foot ball game on the streets of Cameron, Saturday April the 28th.

The demonstration run will be run exactly as they will run at the State Convention, May the neth.

The foot ball game, will be the biggest and most exciting game that has ever been played in Cameron.

The contestants will be the Cameron Fire Company versus the Yoe High school.

The ball to be used will be three feet high and will weigh seventy-five pounds, instead of carrying the ball as is the rule in regular foot ball, it is to be driven by streams of water direct from our big fire engine and will not be touched by their hands..

Dick Brewer principal of the grammar school will be the official referee. and F. E. Jackson of Pace-Marshall Drug Co., time keeper—we are most sure someone is going to get wet.

It is all free, come out and root for the side you wish to win.

CITY WILL SEND THREE TO MEET TEXAS FIREMEN

REQUEST OF CHIEF THOMAS GRANTED BY COUNCIL TUESDAY.

The city will send three men to the State Firemen's meeting to be held in San Marcos this year.

Chief Monta Thomas made the request of the council Tuesday and the council granted his request. Those who will go will be Chief Thomas, Assistant Chief Lindsey and Fire Marshal George Richards.

The council also authorized the purchase of a stop watch to be used by firemen in their practice runs on the streets each afternoon in practice for the meeting at San Marcos.

The city purchased a stop watch two years ago but the watch can not be found. Chief Thomas is made custodian for the watch and it is to be used by the firemen in their praotice runs.

At the meeting Tuesday the committee to pass upon the water main settlement was given further time. C. W. Lawrence, of the Cameron Water, Power & Light Co., is ill in the Cameron Hospital and could not be at the meeting.

The committee with the dump ground problem in hand was given further time. An effort will be made to dispose of the dump matter by burning.

MRS. LAURA KIRTLEY PIONEER WOMAN IS BURIED IN CAMERON

WIFE OF LATE C. C. KIRTLEY BURRIED IN OAK HILL CEMETERY.

Last Friday morning, April 13, 1923, all that was mortal of Mrs. Laura Young Kirtley was laid to rest beside her hubsand, the late C. C. Kirtley, in Oak Hill Cemetery. Rev. Russell C. White, pastor of the Baptist church, conducted the funeral service, which was sweet and solemn, reminding the bereaved relatives and friends that their loved one had only passed into more abundant life.

The presence of many relatives from a distance, of her neighbors and friends at home, and a profusion of beautiful flowers were an eloquent testimony of the love and esteem in which this good woman was held.

Mrs. Kirtely was born in Williamson county, Texas, Sept. 19, 1864. She was married in December 1894 to C. C. Kirtley, a nuresryman of considerable reputation in Central Texas.

At the time of his second marriage, Mr. Kirtley had several small children. Upon these, she bestowed a mother's love, and raised from infancy his nephew, Arthur Kirtley, who gave her in return a son's love and affection, and who tenderly cared for her to the last.

Another nephew Karnes Kirtley, was also committed to her care in his childhood and grew to young manhood in her home.

Mr. and Mrs. Kirtley were both devoted members of the Cameron Baptist church.

During her husband's illness, which extended over a period of several months, she ministered to his comfort with characteristic devotion.

Mrs. Kirtley had been in failing health for some time previous to her death. Her sister, Mrs. F. G. Weeks, lived with her and was a strong arm upon which she leaned in her increasing weakness.

Another sister, Mrs. L. C. Allen of Lott, and three brothers, J. C. Young of Bell county, A. J. Young of Temple and K. A. Young of Midland, survive her.

CASE IS AFFIRMED.

The case State of Texas vs. Robert Chapel, convicted in the district court of Milam county on a charge of seduction has been affirmed by the court of criminal appeals and the sentence of 3 years in the penitentiary will begin. The court affirmed the case Wednesday.

CHRONICLINGS OF INTEREST FROM OVER THE COUNTY

MILAM COUNTY FARM GIRL TURNS GIFTED ARTIST

ASKS OPPORTUNITY TO PERSUE STUDIES—TALENT IS PRAISED.

The Reporter editor Sunday afternoon chaperoned a bunch of the Camp Fire Girls on a little visit out to the home of Miss Wren Smith, the clay modeling artist mentioned in these columns a few weeks ago, and were shown numerous specimens of the work done by this untutored girl. When we were ready to leave the Smith home Miss Wren made us a present of a large collection of the models. This collection we brought back to town with us, and on Monday secured the co-operation of Mr. Ben Loewenstein, Jr., in displaying the collection in his show window, where they have since attracted a great deal of attention. On Trades Day there was continually in front of this window a group of people, examining with interest the specimens, and all uniting in declaring them real works of art.

Among the specimens are all kinds of animals, fowls, fish, reptiles and insects. A big tarrantula, a centipede and a stinging scorpion are so natural that one actually hesitates in picking them up. A coiled copperhead snake gives the spectator the shivers to observe. One of the models depicts a young turkey in the act of breaking out of its shell. A dog is modeled in the attitude of playfully barking at an invisible cat. In viewing this dog one can almost imagine he sees the cat with its arched back and enlarged tail. An acorn looks as if it might have just fallen from the tree. In this connection Mr. Smith states as a fact that on one occasion naturally in appearance that when his daughter made an acorn so she placed it in a dish with other genuine acorns it was attacked by a worm, the worm actually boring a hole in the clay model.

None of this work is finished by baking. It is just the simple work of a country girl in whom nature has vested the spirit of an artist. The exhibit is still in the Loewenstein window, where all may see it.

Miss Smith asks the Reporter to state that she is very anxious to go to some school where she can pursue her studies in this art, and to that end she would like to obtain a few pupils, who would be willing to pay her a reasonable tuition charge for what she can teach them, to the end that she may obtain money with which to take a professional course in sculpture. The Reporter commends this girl to the attention of some philanthropic person or organization, as providing an opportunity for salvaging a real artist from an obscure station. Instances of such philanthropy are not rare. The editor knows personally of one. About fifteen years ago "The Ladies' Tuesday Club" of Brady, Texas, found just such a girl as this. The Club adopted her as its ward, placed her in the studio of Coppini at San Antonio, where she perfected herself in her art. She is now widely known as a sculptress of unusual ability. Her name is Waldine Tauch. The woman's club which sponsored her education has wrought a work worth while. Rockdale Reporter.

LUTHERANS END FIVE DAYS SESSION MONDAY MORNING.

The Triennial Conference of Texas Lutherans of the Missouri Synod closed a five days session here last Monday, having disposed of all business brought before the conference.

The delegates arrived at Rockdale last Wednesday where they were met by a dozen or more cars which conveyed them to Thorndale for the conference which begun on Thursday morning at 9 a. m. Hon Im. Rudi, of the Thorndale Commercial Club delivered the address of welcome on behalf of the club and community. A social feature of the first day's session was a program rendered by the Young People's Walther League of St. Paul's Lutherian church last Thursday evening.

Special Communion Services were conducted Friday night by Rev. C. W. Neumann of Flatonia, followed by an address by Rev. H. Hellman of Brenham to the pastors and professors of parochial schools.

Another social feature of the meet which was greatly enjoyed was the ball game on Saturday afternoon between the visiting delegates and the local school team which resulted in a victory for the visitors by 7 scores.

Three divine services were conducted on Sunday, all being well attended with good collections. Rev. J Kollmeyer of Kingsville delivered the sermon at 11 a. m. At 2:30 p. m. Rev. H. Bewie of Waco, director of missions in Texas delivered an excellent lecture along educational lines. At the evening hour Rev. John Schmidt of Pottsville, spoke in the English language on the Nature and Manner of Faith, at which service many town people were present, who spoke in glowing terms of Rev. Schmidt's sermon.

The conference has one hundred mission stations and forty-four missionaries in Texas to carry on this work, about six vacancies which are to be filled througout the state. Rev. R. G. Manz of Austin, chairman of the school committee, in his report to the conference stated that all parochial schools were progressing excellently, and branded as erroneous the statement that the German language was used as the medium of study in all elementary subjects. Rev. Manz made a personal survey of all schools and says there was not a single instance where other language was used other than English.

Fifty thousand dollars was pledged by the conference in their session here towards the establishment of a state college. Rev. J. W. Baehnken was delegated to the General Synod which convenes in Fort Wayne, Indiana, in June to sponsor the application for the college. Among the cities offering inducements and sites for the location of the college are Austin, Waco, Marlin and Dallas, the location of which will be voted on at the General Synod in June. Rev. R. Osthoff of Lincoln, Texas, was elected chairman of the college committee.

The session on Monday was devoted to adopting and approving the finance, publicity, and mission reports. The delegates selected Reisel, Texas, as the place for the holding of next year's conference. Before adjournment of the conference on Monday, a resolution was adopted thanking the citizens, Commercial Club the local congregation and their pastor, Rev. F. H. Stelzer for the many courtesies and hospitality shown them during their sojourn in Thorndale.—Thorndale Chapion.

GOLDEN WEDDING.

No doubt the happiest old couple within the confines of Matchless Milam on Tuesday of this week was Mr. and Mrs. B. Loewenstein, Sr., who celebrated their Golden Wedding anniversary in a most unusual and unexpected manner.

As is well known Mr. Loewenstein is still confined to his room at the Cameron Hospital where he submitted to a rather serious surgical operation about six weeks ago. Mrs. Loewenstein is staying with him at the Hospital, and while they had by no means forgotten their anniversary, they had thought any chance of celebrating same too remote for serious consideration. However, the management of the Cameron Hospital did not look at it in that manner, and at the noon hour Tuesday a complete Golden Wedding dinner was served. The reception room of the Hospital was changed into a private dining room for the occasion, and a generous and palatable turkey dinner was served, with gold cake, gold ice cream and other suitable trimmings of a decorative nature carrying out the anniversary motif.

Just before the dinner was served Hospital attendants helped Mr. Loewenstein to dress, assisted him into his wheel chair and thence to the banquet hall, where he was almost overcome with surprise and feeling. He soon recovered his usual poise, though, and enjoyed his dinner with a good appetite, after which he sat and reminiscened for an hour before retiring again to his room.

In the afternoon the celebration of the occasion was made absolutely complete when Mayor H. C. Meyer of Rockdale drove up to the sanitarium with an automobile load of floral offerings and good wishes from the citizens of this city, where Mr. Loewenstein has spent so many useful years. One large floral piece bore the card of "The Business Men of Rockdale," while there were other offerings from individuals. Mr. Loewenstein was very much touched, and told Mr. Meyer to convey to his townsmen his greetings and appreciation of their thoughtfulness, and to say that these flowers, coming while he was yet living, were just as he would have had them; that "flowers for the living" had always been his motto, and that he was glad his friends did not wait to pile their floral offerings upon his grave.

Mr. Joe Loewenstein, a brother, of Houston, and Mr. and Mrs. Ben Loewenstein, Jr., of this city, were present for the anniversary celebration. The cheering news come from Mr. Loewenstein this week that he is now making splendid progress towards ultimate complete recovery and his friends here hope to see him back soon.—Rockdale Reporter.

SOME NEW FACES ON SCHOOL BOARD.

The election held here Saturday for the selection of four members of the board resulted in 144 votes being polled, divided among favorites as follows: W. B. Elliott 140, W. C. Phillips 83, W. W. Clark 76, D. R. Maddox 76, Shelby Phillips 72, Elmo Stiles 40, and about ten other complimentary votes distributed among several favorites. Messrs. F. E. Stiles, Shelby Phillips and W. B. Elliott's terms of enlistment had erpired and the place on the school board held by Arthur Scruggs was due to be filled because of his recent removal across the county line into Williamson county.—Thorndale Champion.

ANOTHER CAR STOLEN BY IRRESPONSIBLE JOY RIDERS

The Ford runabout of Dr. J. P. Sparks was stolen from the garage at his home Sunday night, and was recovered at Thrall Monday, where it had been abandoned after having lost a casing and rim. It is thought that local parties took the car out for a joy ride to Taylor and abandoned it when the tire played out on them.

Parties were seen to leave the car at Thrall and board a train headed this way.

Dr Sparks states that the Thrall city marshal has announced his intention of arresting parties hereafter who abandon cars there, this being the fourth stolen car so abandoned in that town recently. Two of these were Rockdale cars, the other belonging to Walter Talley, notice of its theft being carried in these columns at the time.

Irresponsible parties who take out another man's car at night without the owner's consent, even though they expect to return it, should be made to understand that they are guilty of a felony, and about the best way to impress it upon their minds is to arest them and let the law take its course.—Rockdale Reporter.

H. W. BARTLETT.

H. W. Bartlett, aged 80 years, died at the home of his son, J. W. Bartlett, near Tracy, at an early hour Saturday morning. On account of waiting for the arrival of relatives from distant points the funeral was not held until Tuesday morning. Interment was at Lebanon cemetery in the Kolb community, Rev. T. F. Weaver, pastor of the Christian church at Cameron, officiated, and an unusual feature of the ceremony was that the pall bearers consisted of six grandsons, as follows: Messrs. Fred, Ed., Jesse and Paul Bartlett, Roy Wadkins and Ray Kellogg.

Decedent had lived in this county for about 24 years, and was well and favorably known. He had been a member of the Christian church for half a century. He leaves four sons and three daughters, as follows: Messrs. J. P., J. W., T. W. and C. E. Bartlett, all of this county; Mrs. E. C. Wadkins of Ramsey, Ill.; Mrs. Mary Kellogg of Tecumseh, Okla., and Mrs. Lela Staatz of the Sharp community.—Rockdale Reporter.

HEAVY RAINS FALL IN ROCKDALE WEDNESDAY.

Rockdale, April 13.—Following an exceedingly severe lightning and thunder storm Wednesday, rain fell all night and much of Thursday morning, inundating lowlands and causing ralroad washouts. Some hail fell though not enough to damage crops. The excessive rains have suspended farm work. Some replanting will have to be done where cotton was planted too deep in cold sandy lands. Corn is up and doing finely. Some cotton is up. Lands are generally in splendid tillable condition. Cotton acreage increase estimated to be at least 15 per cent in Milam county.

1 KILLED WHEN MEXICANS FALL IN MINE SHAFT.

Rockdale, April 18.—While three Mexicans were loadin some bricks on the mine shaft car at No. 3, Witcher Mine of the Empire Fuel Products Corporation near Rockdale Tuesday morning, Inez Zamora was killed outright and Dario Juarez severely, though probably not fatally, injured.

In some unaccountable way the men seem to have slipped with their load and lost their balance as they started to enter the shaft cage, which suddenly started to descend into the shaft 107 feet deep.

One of the three men sprang to the ground to safety and escaped unhurt. Juarez, more fortunate or more agile than Zamora, went down with the cage to the bottom, his hurts probably having been received in the jostling at the surface.

Zamora did not succeed in jumping quickly enough or slipped short of safe ground in leaping and he caught with his hands upon the top timbers of the shaft, where he hung for some seconds. Then he either lost his presence of mind or became quickly exhausted and dropped back upon the descending cage, which then was not more than 25 or 30 feet down from the shaft mouth and was killed by the fall.

Both men were married and had families.

THORNDALE REBUILDING THREE BURNED STORES.

Thorndale, Texas, April 14.—The contract for the new Thorndale State Bank Building has been awarded to the Independent Lumber Company. The plans call for a building 24x60 feet, and will be located on the former site of the old building, which was destroyed by fire February 4. The building will be modern in every particular, the plans calling for a metal roof, steel ceiling and a tile floor in the lobby.

Work is progressing rapidly on the J. M. Gilchrist and John Moerbe buildings, which were also destroyed in the same fire and will be ready for occupancy in a few weeks.

PARENT TEACHERS ELECTION.

Thorndale, Texas, April 14.—At the regular monthly meeting of the Parent Teachers Association Thursday the following officers were elected for the new year: Mrs. W. C. Phillips, president; Miss George Peebles, first vice president; Miss Emma Saller, second vice president; Mrs. Henry Elliott, secretary; Mrs. Eva Locklin, secretary, and Miss Ettie Carter, reporter. The association put on a campaign for new members recently and secured about 75.

HADLEY, FORMER TEXAN, IS HANGED ON ARIZ. GALLOWS

SPECTACULAR CRIMINAL CAREAR ENDS ON GALLOWS.

Florence, Ariz., April 13.—Paul V. Hadley died on the gallows before sunrise today for the murder of Mrs. Anna C. Johnson. The trap was pulled at 5:10 o'clock and Hadley was pronounced dead at 5:22.

Hadley mounted the platform without hesitation. He had eaten no breakfast but had dressed with deliberate care. "I am innocent and ready to meet my death," was his only statement.

Hadley, at his own request, was baptized during the night by the Rev. J. W. Henderson, prison chaplain, and Dr. James Hunter, a former chaplain. Dr. Hunter remained all night at the sell and sang hymns for Hadley.

Just before the mask was adjusted Dr. Hunter offered a prayer and kissed Hadley on the cheek.

Hadley, an escaped life-termer from the Oklahoma state penitentiary, was convicted of murdering Mrs. Johnson during an automobile trip over the Arizona desert in November, 1921.

In the group of 38 persons who witnessed the hanging was Peter Johnson, husband of the slain woman. Johnson, himself severely wounded at the time his wife was killed, was the state's principal witness in Hadley's two trials.

Muskogee, Okla., April 13.—The execution of Paul Hadley ends one of the most tragic romances recorded in official documents of Oklahoma. Since 1916, when Hadley and his bride, Ida, were tried in district court here for the murder of Sheriff W. T. Giles of Jefferson county, Texas, the pair had held a unique place in the annals of the state.

Their story was one of love that led to tragedy, hope that lived fitfully and then today, to death and despair.

The trial was perhaps the most sensational ever held in the state.

Hadley was being returned from Kansas City to Beaumont, Texas, to answer a minor charge when Sheriff Giles was killed.

Giles, father of a large family, could not refuse the pleas of Ida Hadley that she be allowed to accompany her husband on the trip. As the railroad train crossed the line between Muskogee and McIntosh counties, the woman shot the sheriff, jerked the bell cord and, as the train came to a stop, jumped with her husband from the car and plunged into a nearby thicket.

For 24 hours posses searched the country side. Finally the pair was arrested in McIntosh county. They were tried here.

"Mymphomania," then a little known defense, was advanced by counsel for the young wife. She was acquitted, but the husband, who was tried jointly, was found guilty and sentenced to life imprisonment.

Ida begged to accompany her husband to the penitentiary. Her pleas unavailing, she led an attempted jail break,was captured and sentenced to the penitentiary. Peace officers declared it was only a plan to obtain her entrance into the state prison. Her sentence was ten years.

At the penitentiary guards often found it necessary to lead her to her husband's cell and let her calm herself by talking to him.

Two years ago Hadley, then a trusty, was released from the penitentiary to perfect an invention. He never returned. The first work from him come from Tucson, Arizona, where, under the name of William S. Estaver, he was on trial for the murder of Mrs. Anna Johnson, wife of a Denver contractor.

Meantime Ida Hadley had been released. She went at once to Arizona, announcing her intention to appeal to T. E. Campbell, the governor to commute the sentence of death passed on her husband.

Her plans, however, miscarried and according to Hadley, she is in Witchita Falls Texas. He said that he had dissuaded her from her determination to come to him because "she was temperamental and might do something that should not be done."

MRS. A. J. DOSSETT WINS COURT SUIT

FRANKLIN INSURANCE COMPANY LOSES IN FIGHT TO CANCEL POLICY.

Everything the plaintiff asked for in her petition was allowed in the Nineteenth district court, Thursday morning, in the suit of Mrs. Jennie D. B. Dossett vs. the Franklin Life Insurance company, who, in accordance with the judgment of District Judge James P. Alexander, received a judgment aggregating $48,870.

Counsel for the company excepted to the judgment of the court, and motion for a new trial will be filed. If this be denied, an appeal, it is presumed, will be taken.

Mrs. Dossett sued the Franklin Life for $35,000, the amount of an insurance policy carried by her husband, the late A. J. Dossett, one of the best known cotton compress men in the state; 12 per cent penalty, 6 per cent interest and reasonable attorney's fees. The ammount of the judgment includes the face value of the policy, penalties and interest and attorney's fees in the sum of $7,500.

The Franklin Life brought suit against Mrs. Dossett to cancel the policy, and the case was consolidated with the one brought by Mrs. Dossett against the Franklin Life, both being tried at the same time.

The cas, when it began originally, was tried before a jury. The trial had been in progress only a short time until an abrupt ending came, this resulting when Judge Alexander announced that he had been informed that an attempt had been made to bribe one of the jurors. As a result, he declared the case a mistrial and dismissed the jury.

A complaint was filed against a man, charging him with bribery, it being alleged that he had attempted to bribe one of the jurors in the case. The man was given a preliminary hearing and his case was then presented to the grand jury, which body did not return an indictment.

When the case was called a second time, by agreement on the part of counsel, the case of Mrs. Dossett vs. the Franklin Life and that of the Franklin Live vs. Mrs. Dossett was tried before the court, with the result above stated.

EASY TO DARKEN YOUR GRAY HAIR

Try this! Brush Sage Tea and Sulphur Compound through your hair, taking one strand at a time

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is mussy and troublesome. At little cost, you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound, and look years younger.

CLUB VOTES FOR BOND ISSUE FOR AD HALL ROAD

FEDERAL AND STATE AID OF $62,000.00 NOW AVAILABLE.

Directors meeting of the Cameron Commercial Club, Friday night, April 13, 1923:

In utter disregard to precedent, Friday the 13 proved to be not unlucky day for the Cameron Commercial Club, but on the other hand it was a very fortunate occasion. For the initial time in the history of the organization, all twelve directors of the Club were present. The fact that nine of the eleven committee chairmen were present also was quite gratifying. If the rule that one man could not be recognized by the chair upon more than three times during the evening, had been eforced it would have been an ideal meeting However, the interest and enthusiasm on the part of all members were very pleasing.

President C. W. Lawrence was ill in the local hospital, and in his stead Vice President Smith presided.

The following were present:

Officers—Oxsheer Smith, vice president; Moulton Cobb, secretary; B. F. Bonds, treasurer.

Directors—Robt. McLane, J. T. Parma, W. O. Triggs, R. H. McIntosh John Mangum, T. S. Henderson, Jr., W. O. Newton, Dr. Jas. Watson, S. A. Cottle, Jim Neinast, J. B. White, F. C. Fahrendorf.

Committee Chairmen—J. W. Coleman, J. W. Joynes, W. M. Cobb, F. R. Dunlap, Giles L. Avriett, C. R. Phillips, Paul Webb, Grover C. White, and F. E. Jackson.

The following were absent:

C. W. Lawrence, president.

F. S. Lesovsky and H. M. Hefley chairmen.

Minutes of the last meeting were read and with slight changes adopted.

W. M. Cobb declared that there would be a general clean-up in Cameron on April 24 and 25. Upon motion from R. H. McIntosh, the mayor was requested to issue a proclamation designating the 24 and 25 of this month as official clean-up days.

The matter of making a drive-way through the city park was freely discussed, but action was deferred until the city obtained title to the property.

Keeping the culverts open in Cameron was the next topic for discussion. F. R. Dunlap told of the condition in his neighborhood. C. R. Phillips said that the city kept a man busy cleaning out the culverts whenever he had a few days off.

Giles L. Avriett, chairman of the good roads committee, told that $2,593.50 had been raised to build the Jones Prairie road. He prophesied that the $3,000.00 mark would be attained by next meeting night. Mr. Avriett further ventured the opinion that the $3,000.00 would be adequate to build the road.

Giles Avriett also said that the time limit was drawing near that we could receive about $62,000 from state and federal aid to build the Ad Hall to Minerva road. If the people of these sections will vote a bond issue for a similar amount, the state will maintain this highway. All agreed that it was good business to vote this bond issue. It was moved and passed that the good roads committee circulate a petition for this election immediately.

Mr. Parma was instructed to erect a sign at the Milam-Bell line near Rogers reading; "Welcome to Milam county. Cameron 16 Miles Away. Good Roads All the Way."

C. R. Phillips stated that a letter box would be placed in front of the local post office soon.

The good roads committee was requested to confer with the people in the Germania Hall vicinity and to cooperate with them in maintaining their roads.

Paul Webb reported that the Dallas booster train would be here on April 24 and that his committee would make all necessary arrangements for their convenience.

T. S. Henderson, Jr., reported that the Confederate Veterans and the American Legion will hold a united service in Cameron on April 21.

F. E. Jackson stated that the commissioners court of Milam county Thursday voted to employ a home demonstration agent. This report was liberially applauded.

A letter was read from the Dallas Junior Chamber of Commerce concerning the Texas Amateur Band Reunion that will be held there on April 30, requesting that the Cameron band enter the contests. Medals, cups, and $1,000 in cash will be awarded. Will Triggs said he had conferred with Prof. Medsker and that it will take about $240 to send the Cameron Municipal Band to Dallas. The publicity committee, composed of Paul Webb, Dan Tyson and J. R. Hays, was asked to raise this sum.

L. H. Kidd reported that the school owed about $60 for expenses of the track meet. The club pledged to reimburse him.

SENATOR PAT HARRISON COMING TO CAMERON.

During the last few years the newspapers have had steadily increasing comment on the "Gentleman from Mississippi."

Eleven years ago, not long out of his twenties, Byron Patton Harrison took his seat in Congress—the youngest member of the House. Several years of distinguished public service had preceeded that event.

Report has it that young members of Congress, until after a term or two, are heavily frowned upon if displaying any precocity outside of voting.

Just how or when the Honorable Byron Patton Harrision jumped the hurdles of convention seems to be lost to history. That he did jump them seems to be fairly evident.

After three terms in the House we find him in his third year as Senator from Mississippi. In that election the record is that he received ninety-five per cent of the votes cast. How that five per cent of heretics happened to creep in no-one knows. Must have been a split in the party in some county.

In the august and sedate Senate we find, mirable dictu, in three short years the gentleman from Mississippi an outstanding orator, a spectacular debater with the nickname "Pat."

If anything were needed to tell who is one of the most loved men in Washington, that nickname tells the tale. High in the councils of his party, young, respected by political antagonists, Senator Pat Harrison is a spectacular figure.

MEASURES BEFORE SENATE CALLS FOR OVER $28,000,000

TEXAS LEGISLATURE MEETS IN SPECIAL SESSION AND AT ONCE STARTS WORK.

Austin, Texas, April 16.—Aside from the introduction of two additional appropriation bills, the senate devoted the afternoon to committee work. Twenty-five senators answered roll call at one time during the afternoon. At first roll call at 9:16 this morning 23 members of the upper house voted present.

Senator Wood, chairman of the finance committee this afternoon introduced the judiciary and elemosynary appropriation bills. The first carries appropriations amounting to $3,386,467 and the second $7,410,275. Both measures were reported favorably a few minutes after being introduced.

Record time was established when the senate passed this morning the mileage and per diem and contingent expense bills and this afternoon after passage by the house, sent the same measure to the governor when they were signed by the lieutenant governor. Appropriations under the measures total $110,000.

Eight measures were introduced in the senate today. Appropriations proposed under these measures total more than $28,000,000. Chief among these is the educational bill which carries appropriation of $11,387,000. The only non-appropriation bill introuced in the senate was one by Bower proposing to permit introduction of evidence offered in federal courts in state tribunals.

NOTES OF COLORED SCHOOL.

The school is getting ready for the commencement exercises. They have a very pretty play for this year. The name of the play is, "My Irish Rose." The play is a love story. It contains six males and six females. The characters are Mr. O. D. Grant, Walter Redd, Willie Harmon, George Hall, Kemet Bowers, Charlie Woods and Misses Rubie L. Young, Hester Williams, Harry Fontaine, Beatrice Walker, Hattie Hendricks. The leading lady will be Miss Rubie B. Harrison. Every one who enjoyed the play last year will enjoy this one.

Those who will graduate this year will be Misses Annie Ivory, Birdia Hubert and Homer Lee Avery.

Those who will finish in cooking will be Misses Elmira Hall, Queen E. Coleman, Lola F. McIntosh.

Those who will finish in both cooking and sewing will be Misses Sammie L. Woods, Maggie B. Gordon, Rubie B. Harrison.

We the members of the 9th grade are glad to have Miss Maggie B. Gordon back with us again.

Our principal was greatly surprised last Friday at noon with a little feast given in honor of him by two of the 9th grade girls. They were Misses Elmira Hall, Rubbie B. Harrison. The feast was composed of ice cream, candy. Every one had a jolly time. cake, bananas apple and chocolate Those who enjoyed the feast were Misses Rhoessa Wiliams, Bessie M. Harmon, Beatrice Walker, Elmira Hall Rubbie B. Harrison and our faithful principal, Prof. J. W. Bartlett.

The Drake's Literary Society will render a very amusing program Thursday night at the High School assembly hall. Every one is invited.

The boys base ball team did not go to Calvert on account of the rain, but will go when the weather fairs up.

ITCHING ECZEMA DRIED RIGHT UP BY THIS SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Rowles Mentho-Sulphur from any good druggist and use it like a cold cream.

HISTORY'S MYSTERIES

COPYRIGHT BY THE WHEELER SYNDICATE

THE SECRET OF GLAMIS CASTLE

THE grim walls of Glamis castle, in Scotland, have concealed a mystery for a number of centuries—concealed it so well that no hint of what it is or whence its origin, has ever been definitely brought to light. But that the existence of the secret is well known throughout the kingdom is apparent from Sir Walter Scott's reference to a secret chamber in the castle which "by the law or custom of the family, must be known only to three persons—the earl, the heir and the third in the line of succession!" "The popular version," adds the famous novelist, "is that there is some horrible remembrance connected with the secret which has existed for the past two or three hundred years."

One writer claims that the mystery concealed in the secret chamber was a human being—half frog and half man—and recounts the story of the Countess of Glenshire, who finally succeeded in penetrating to the hidden room, only to die of horror at what she found there. This story, while apparently well authenticated by writers of the period, has little foundation in fact—apart from the detail of the sudden and unexplained death of the countess, who may have come to her end in any one of a number of ways, and, in order to cover up the manner of her assassination or accidental death, it is more than possible that the story of the "chamber of horrors" was spread broadcast through the surrounding country.

Another version of the secret of the castle appears in an old history of Scotland, where it is stated that "there is one chamber in the castle in which, some centuries ago, two gamblers were walled in and condemned to continue their ghostly play, and where the rattling of the dice is still to be heard. The earl of Strathmore and his eldest son, Lord Glamis, must each hear this once, and it is related that the present lord has not forgotten the effect it had upon him." But, unless stage-managed in a manner worthy of Belasco—with bluish lights, skeleton hands, and a dice box suspended in mid-air—it is hard to see how the mere sight of a room where a not unusual torture was practiced centuries ago, could have such a profound effect upon those who visited it, nor how it would lead to such extreme measures for the preservation of secrecy.

Still another story, and one which appears to possess elements of horror and at least an approach of plausibility not to be found in the other legends, is that which appeared in print in England only a few years ago:

"In the Castle of Glamis," stated the writer, an eminent authority on such subjects, "is a secret chamber which holds (or is reputed to hold) a monster who is heir to the title and property, but who is so hideous that it is necessary to keep him out of sight and possession. The secret is known to only three persons, because, as the deformed man is the rightful earl of Strathmore, he must be concealed in order to safeguard the title of the present earl, but the same misshapen aspect which renders his imprisonment essential has also prolonged his life far beyond the appointed span.

"That there is a secret room in the castle is a fact well known, not only in the neighborhood, but to all who have made an examination of the structure. Placed below the level of the ground, it is apparently reached through a staircase, concealed behind the paneled walls of one of the many large rooms on the first floor. Those who retail the story of the monster supposed still to inhabit this chamber declare that it is half reptile and half human, thus accounting for the fact that it has survived far more than the usual span of a man's life—while others declare that the creature died years ago, but that its mummified body remains as a warning to the new heirs that their tenancy of office is founded on deception, for the tales about the chamber agree in only one particular, that its occupant is the true earl of Strathmore."

The truth or falsity of these suppositions has never been settled, but the fact remains that Glamis castle hides a secret of some kind, which will never be disclosed until the old pile is torn stone from stone.

BILBO, IN PRISON STARTS CAMPAIGN

MISSISSIPPIAN JAILED, CONTEMPT OF COURT WILL RUN FOR GOVERNOR AGAIN.

Jackson, Miss., April 16.—From his cell in the La Fayette county jail at Oxford, Miss., Theodore G. Bilbo, former governor of Mississippi, will tomorrow morning, according to his friends here, make formal announcement of his candidacy for governor subject to the August primaries.

Oxford, Miss., Ajril 16.—Theodore G. Bilbo, former governor of Mississippi, went to the La Fayette county jail today to serve a sentence of thirty days for contempt of federal court.

When Mr. Bilbo appeared in federal court here today to answer to a charge of contempt because of his failure to appear as a witness in the suit of Miss Frances Birkhead against Governor Lee M. Russell last fall, he pleaded guilty. Judge Holmes fixed the sentence at a fine of $100 and thirty days in jail.

Bilbo asked for a suspension of sentence until he could try a case in Poplarville, his home town, where he is a lawyer. The judge denied him the request and the former governor went to jail.

"Had you been a common laboring man," said Judge Holmes, "the sentence would have been the same. You are intelligent enough to know when the summons was served on you and that you should have appeared."

Mr. Bilbo announced he would endeavor to have the place of serving the sentence changed to the jail at Poplarville, his home.

Mr. Bibo in a statement made to the court declared that it was his belief at the time he was summoned that a federal law was in force which would have eliminated the mandatory provisions of the summons in cases where the witness subpoenaed was more than 100 miles from the place of trial and no provision had been made for the expense of the witness.

This law, it was said, had been repealed, but he was not informed as to that point at the time.

IF SICK TODAY! TAKE NO CALOMEL

"Dodson's Liver Tone" Straightens You Up Better Than Salivating, Dangerous Calomel and Doesn't Upset You—Don't Lose a Day's Work—Read Guarantee

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headaches, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

How Used Cars Get On The Market

We get a used car when the owner turns it in as part payment on a new one. He trades it in at a fraction of what he paid for it. He parts with it usually because he wants a different model—not because of poor performance.

We go over it in every part and detail. We replace what ever needs replacement. We put the car in first class condition if it needs an overhaul.

When we offer it to you, we tell you who owned it, what was done to it and what you can expect of it.

These we think are the reasons why our used car customers often come back to tell us how well they are pleased.

We have several good cars, used very little, we will sell at bargain prices.

PETER CO. BUYING PRODUCE AT RATE OF $75,000 YEAR

FIRST QUARTER SHOWS BIG INCREASE IN AMOUNT OF PRODUCE MARKETED.

During the past three months or the first quarter of 1923 the Peter Company, produce buyers and shippers in Cameron paid to the farmers of the Cameron trade territory a total of $19,000 for eggs and poultry.

Since the 15th of February a total of 62,000 dozen eggs have been purchased valed at $12,000 and 41,000 pounds of poultry valued at $7,000. All of this money was paid into the hands of the farmers of the trade territory and consequently has been a big aid to business during the first quarter.

At this rate of pay the company will issue checks to the amount of $76,000 annually. It is believed, however that the amount will be much larger as the fall business is much greater than the spring marketing of produce. All the turkeys are sold in the fall.

The amount paid out by the Peter Company to the farmers is not all that is paid for produce. Other produce houses and merchants buy produce and it is believed that the amount will run as high as $200,000 a year.

No figures have been obtained from other produce dealers in Cameron.

TRIBUTE TO MRS. EFFIE DAVIS.

The remains of Mrs. Effie A. Davis was shipped here from Valera, Texas, last Thursday morning and was carried to the home of Mr. Dewey Hightower, where the funeral was held that afternoon, Rev. Russell C. White, pastor of the Baptist church, conducting the services, and later was intered in Oak Hill Cemetery.

Mrs. Davis was born in North Carolina in 1828. Moved to Clayton, Ala., when ten years of age. Was married at Clayton to Mr. J. F. Davis December 22, 1854. Came to Cameron in 1875 where she lived until 1902, moved with her husband to Valera, Texas, and made that place her home until she passed beyond.

Mrs. Davis early in life united with the Baptist church, the church of her choice, and lived a consecrated Christian life. She was a member of the Cameron Baptist church from 1875 until 1902, when she moved to Valera; she united with the Baptist church there and was a member at the time of her death. She reared a large family of children to be grown and married. Her life was spent in ministering to the wants of her family and friends, and was a most devoted wife and mother, and as old age came upon her she lost her eye-sight some three years ago. She leaned entirely upon the affection and devotion of her aged husband and devoted children, he never leaving her side for any length of time, but was her constant companion in her room. All that loving hands and medical attention could do, was done for her but she fell asleep April 10th, 1923, with all her family present.

Deceased leaves an aged husband and four children—Mr. J. W. Davis, Valera; Mrs. L. B. Lumpkin, Mart; F. M. Davis, Poteau, Okla.; Mrs. G. T. Hightower, Cameron; Twenty-three grandchildren and fourteen great grandchildren, to mourn her loss. On account of the extreme feebleness of her aged husband, he did not accompany the remains to Cameron.

FORMER ROSEBUD MAN DIES AFTER OFFERING PRAYER.

Bentonville, Ark., April 16.—Shortly after making the closing prayer at the weekly prayer meeting at the First Baptist church here last night, J. W. Ford, 62, fell back into his pew and died before a physician could reach him. Death was attributed to heart disease.

The body was sent to his former home in Rosebud, Texas, for burial.

ESTEEMED FORT WORTH RESIDENT DECLARES TANLAC MADE LIFE WORTH LIVING FOR HER.

Among the thousands of Texas people who are praising the Tanlac treatment for the return of their health, strength and happiness is Mrs. W. T. Cooper, highly esteemed resident of 2517 Ross Ave., Fort Worth, who says:

"Tanlac made life worth living for me and gratitude makes me want to let every one I can know about it. I came out of the dengue fever with a loss of twenty pounds in weigth and so weak and nervous I couldn't go. My nerves were so I couldn't even stand to have my grandchildren around. My appetite left me and sleep was almost impossible for me.

"As a matter of fact, when I began taking Tanlac I was in such a bad condition I didn't think I could ever be well again. But, here I am able to do all my housework, look after my chickens and work my garden and flowers the same as if I had never been sick. I have gained twenty-five pounds and have never felt better in my life. I couldn't do otherwise than praise Tanlac."

WHITE-HOUSE MOTOR CO., LETTER, TO CUSTOMERS.

Dear Sir:

Isn't it true that the real business of an automobile dealer is to make all the advantages of automobile transportation available to his community at the minimum of cost and trouble?

Isn't it true that the dealer and his business should represent a permanent institution, with ample responsibility, where good dependable automobile transportation can always be obtained easily and economically?

That's the way we look at it and that's the policy on which we sell and service Chevrolet cars.

Come in and learn more about this modern conception of an automobile dealership.

No Argument Against Printing

Get the old dust covered volume down from the shelf and read what happened. "The rains descended and the floods came." This is no argument against printing but just another way of emphasizing the value of publicity. Would they throw the circulars away the second time?

Persistency in advertising brings results—lays the mud sills of merchandising and directs the tide of buying to the progressive merchant.

Patronage of home industry holds good with printing concerns the same as mercantile establishments. Local printing houses deserve the support of all local merchants. Don't throw the good doctrines of home patronage in the waste basket and run the risk of depreciating the service of well organized and established newspapers and printing plants by sending out of town for your printing.

Newspapers in Cameron make it possible for employes to spend $25,000 annually in Cameron.

How much money is derived from outside printing firms? How much of the local tax burden do they bear and what is their measure of service to Cameron and the local community?

NEGRO MURDERER APPEALS CASES

JUDGE WANTS TO SENTENCE ROY MITCHELL TO GALLOWS.

Waco, Texas, April 16.—Verbal declaration on the part of Roy Mitchell, five times convicted of murder, and given the death penalty in each case, acted as a stay of sentence in the Fifty-fourth court Thursday morning, shortly before noon. He had been brought into the court room in charge of Sheriff Leslie Stegall and some of his deputies, in order that he might be sentenced.

District Judge R. I. Munroe asked the negro if he had anything to say as to why he should not be sentenced for the murder of Mrs. Ethel Denecamp, and the negro reflied:

"I wants to send it to the court of appeals."

He asserted that his lawyers had told him to give notice of appeal.

When the court asked the negro why he wanted to appeal his cases, Mitchell said: "I don't think I got a square deal."

He was interrogated in each of the five cases in which he has been convicted here, and in each instance the negro gave notice of appeal.

"You have a right to appeal," said Judge Munroe, then he added: "I don't delight in human misery, but you are one man that I will not regret sentencing to be hanged."

As will be remembered, Mitchell has been convicted of the murder of W. E. Holt, Mrs. Ethel Denecamp, Grady Skipworth, W. P. Driskill and Harrell Bolton, and the jury assessed his punishment at death in each case.

So far as known County Attorney C. S. Farmer made a new record on the part of a public prosecutor in the United States, in securing five death penalties in succession, and all of them against the same defendant. There is no instance of this kind on record in the criminal anals of the United States, so far as known.

It is expected that District Clerk R. V. McClain will have the record in the case ready to be presented to the court of criminal appeals by Monday of next week, on which date Mr. Farmer will be in Austin. He will file a motion with the court of criminal appeals, asking that the cases against Mitchell be advanced, and he expects them to be set for submission by Wednesday of next week. If this is done, the higher court, in all probability, will announce its decision by the following Wednesday, April 25.

Following Mitchell's declaration of appeal, it was announced Thursday morning by County Attorney Farmer that one of the three remaining murder cases against the negro, the one charging him with the murder of Mrs. Lula Baker, near Concord, in February of last year, has been set for Thursday of next week, April 19. A special venire of 50 men has been summoned for this case.

Besides this case, there are two other indictments for murder pending agains the negro, one charging him with the killing of Mrs. Baker's husband, W. H. Barker, and the other with killing Omer Turk, 13-year old boy, who was spending the night at the Barker home on the date of the triple killing near Concord.

Two other negroes are in the McLennan county jail, having been convicted of these three murders, one being given the death penalty, the other a life term, and their cases have been affirmed by the court of criminal appeals.

Mitchell admitted, in confessions made not long after his arrest, that he killed W. E. Holt, Mrs. Ethel Denecamp, Grady Skipworth, W. P. Driskell and Harrell Bolton, and in a subsequent statement he declared that he killed Mr. and Mrs. Barker and the Turk lad.

DOLLY'S BIRTHDAY

"Dolly's birthday is coming!"

"Dolly's birthday is coming! Soon, very, very soon now it will be here."

And at last it could be said, "Dolly's birthday is here."

Now you may think that Dolly is a very particularly nice doll, but you are wrong. Your guess would be a very good one, but even the best of guesses sometimes are not right.

For Dolly is a little girl. Her real name is not even Dolly, so you see how hard it would be for you to guess anything about Dolly.

Her real name is Margaret, but because she is small and dainty and a great pet and a great favorite she has always been known as Dolly.

At least that is the name she is called by those who love her very much and who know her very well.

Her family call her Dolly and it is a very great compliment when one's family finds that only a pet name will do, for a family is very apt to know one very well indeed, oh, so very, very well.

Yes, it was Dolly's birthday over which there was so much excitement and at last Dolly's birthday had come

Dolly's birthday had usually been celebrated at eleven o'clock in the morning, but this year it was to be celebrated at supper time and Dolly was to sit up one hour and a half later than usual.

It would be such fun to sit up a whole hour, and then a half of an hour besides, beyond the usual bed

"The Packages Which He Had."

time. An hour was nice in itself but that extra half hour would be such fun!

There would be piano playing and singing and games and fun and then there would be extra nibbles of food, for even though there was to be an unusually good supper, still there would be a little room left by everyone for an extra crumb or so of cake. Not to mention an extra candy. Dolly was to have a cake. And candles too. And around her place there would be flowers and ferns. The candles would burn brightly on the cake. Every single thing would be done to make the birthday a very festive occasion.

Now, as I've said, the birthday had come at last as birthdays will do. Sometimes they seem rather slow about arriving. They seem to take their time. But it really doesn't matter if they do take their time for they seem to be more exciting when they do that way. The Fairy Wondrous Secrets had been very busy doing up all sorts of wonderful secrets for Dolly's birthday and she was sending them along by the Dream King.

The Dream King had sat upon Sleepy Time cloud, which is his favorite seat as you know, and he had decided that not only would he call upon Dolly on her birthday, but he would call upon her the night before her birthday, too.

The packages which he had with him were wonderful.

In one was Happiness.

Perhaps you do not know how Happiness can be wrapped up in a package and only the Dream King and Fairy Wondrous Secrets know just how to fix up this package. But it contains many little parts and when these parts are scattered about by the Dream King they take up their abode in a person's room.

Then, too, they follow a person around, very often, very, very often Happiness finds its way straight to a person's heart and there it stays most contentedly. In another package was Long Life and it was going to follow Dolly about. In yet another was the Key-to-the-Secret-of-Knowing-How-to-Enjoy-Things. That was one of the best packages of all, for that key can unlock so much joy.

And that key was going to be given to Dolly! All through her life she would know how to enjoy things, not just big presents but all sorts of things about her, such as the flowers and the birds, a garden, and the love of her family and of many friends.

These were some of the Dream King's packages and he gave them to Dolly. There were presents from her family and her friends and when the candles upon the cake were lighted at supper that very evening everyone felt the candles were burning more brightly than ever.

And indeed they were. They wanted to be their very brightest in honor of the very bright little Dolly.

And the "Many Happy Returns" which were wished her were meant indeed. Oh, I can well assure you of that!

FORMER CAMERON MAN NAMED HEAD OF WACO POLICE

F. V. McCALL RESIDED IN CAMERON FOR MANY YEARS.

F. V. McCall, newly appointed chief of police for the city of Waco, was about the busiest man in town Tuesday.

Sitting in the mayor's chair in the council chamber, the new chief had before him a stack of papers more than an inch high. In answer to an inquiry as to the nature of the papers, the new chief replied:

"These are applications for appointment on the police force. In the lot there are some letters of recommendation. I have 36 appointments to make and there are fully 100 applications for these 36 places."

There is no doubt but what Chief McCall realizes the importance of his position. "I know what the mayor, city commissionrs and citizens of Waco are expecting of me," he said," and I am going to do everything in my power not to disappoint them. I am going to take all the time necessary to complete the list of appointments, to the end that the best possible men, according to my judgment, will serve the city of Waco as policemen.

"One thing is certain, and that is that the men who go to make up Waco's police force must be clean men. So long as I am chief I will not tolerate fowdyism or drinking. The men must be gentlemen all the time and so conduct themselves, both on and off duty, that they will reflect credit on the city of Waco.

"Those are my ambitions and I expect to hew to those lines. I am one who does not believe that it makes a policeman of a man to put a uniform and six shooter on him. The men whom I appoint as policemen will be told that duty and courtesy and gentlemanness at all times are paramount.

The new chief of police has been a peace officer since 1909. He was born and reared in Milam county where he has served in various capacities as a peace officer. In 1912 he became assistant warden at the Rusk Penitenitiary, serving until 1914, when he returned to Milam county. In 1914 he was married to Miss Emma Majors of Cameron.

Chief McCall has been a member of the Waco police force, with only a few months interruption, since October, 1917. Most of this time he has been on what is known as the Katy depot beat.

In addition to the written applications, the new chief during the day Tuesday had a large number to make application personally, while friends called in the interest of some of the applicants.

To all these Chief McCall gave a courteous hearing, taking their names and addresses after explaining to each applicant the qualifications necessary for a policeman under the new regime.

Mr. McCall said that he would not take over the office of chief for a few days, probably not until next week. Lee Jenkins, who has been chief of police for three years, will continue to act until his successor is ready to assume the duties of the office.

Drink Water If Back or Kidneys Hurt

Begin Taking Salts if You Feel Backachy or Have Bladder Weakness

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison, else you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, drink lots of good water every day. Have your physician examine your kidneys at least twice a year.

"Our Family Medicine"

"I WILL WRITE you in regard to Black-Draught liver medicine, as I have been using it more than 18 years," says a letter from Mr. S. F. Mintz, of R. F. D. 2, Leland, N. C. "I keep it in my home all the time, for it is mostly our family medicine. When we begin to feel feverish or sluggish, with trouble from the liver or stomach, we take a dose of Thedford's Black-Draught and the trouble is soon over. I mostly buy a dollar package at a time, and it has saved me many a bill."

Thedford's Black-Draught is a purely vegetable remedy, acting on the liver, stomach and bowels. It is made from selected herbs and roots, and contains no calomel or other mineral drugs.

It has been found of great value, in indigestion, stomach trouble, sick headache, constipation, and lazy liver, helping to relieve the symptoms caused by these troubles, and to put the digestive system into proper working order.

DODGE BROTHERS
TYPE-A SEDAN

Its dependability is taken for granted—its economy of operation is proverbial.

Comment, as a rule, is directed to the richness of its fittings, and the dignified beauty of its coach work.

This beauty is not a superficial thing. It goes much deeper than mere external adornments.

Like all creations of genuine excellence, it emanates from the honest value which Dodge Brothers have built into the car.

You sense it in the depth and comfort of the seats—richly upholstered in genuine mohair velvet. It makes itself known the instant you close the doors—which snap solidly shut, like the doors of a safe. It emanates unmistakably from every line and curve of the sturdy body.

It becomes most evident when you discover that in smart company, where a car of less distinction would appear at its worst, Dodge Brothers Type-A Sedan appears at its best.
